I \_\_\_\_\_ agree to the following..... (Please initial!)

\_\_\_ I am familiar with the ceramic process and have the knowledge of the clay, equipment and materials.

\_\_\_ I have taken a beginner's clay class/workshop before.

\_\_\_ Clay must be purchased or approved by Jasper Arts prior to usage in the studio.

\_\_\_ A limited selection of glaze colors will be provided by Jasper Arts in the studio fee, additional glazes must be approved by Jasper Arts before use.

\_\_\_ Open Studio participants must be 16+ or accompanied by an adult. (Release Forms must be signed by parent/guardian prior)

\_\_\_ Unattended work left in the studio in any stage (green, bisque, or glaze fired) for more than two weeks will be discarded.

\_\_\_ All work must be collected or glazed within two weeks of creation.

\_\_\_ Please be respectful of our shared space- move your creations through the process.

\_\_\_ When leaving clay & personal supplies at the studio all items must be stored in a box/tote/bucket/basket brought in by the participant. Jasper Arts is NOT responsible for materials and supplies that are left on site.

\_\_\_ Clay slop bucket/tote is recommended for each participant to collect leftover clay in. (The community clay collection bin is only used for scheduled/paying classes.)

\_\_\_ I understand the kiln will not be fired until the entire kiln is full.

Are there any special needs or circumstances that we should be aware of?

I assume all risks and hazards associated with my participation. I hereby waive, release, indemnify and hold harmless the monitors, Jasper Arts and the City of Jasper for any accident, injury or other claim that may occur while my child or me is participating in Open Studio times at the Thyen-Clark Cultural Center. I also give permission for my child's or my picture to be used in any Jasper Arts promotional materials.

**CLAY WORKSHOPS** – I understand and accept all unpredictable possibilities that may come while working with clay (i.e. broken pieces, kiln malfunctions, glaze discoloration, pieces exploding, etc.). I hereby waive, release, indemnify and hold harmless the monitors, Jasper Arts and the City of Jasper for any mishaps that may occur with any clay pieces of my own or child's.
